

## Questions for Midweek Groups – Lent 2010

### Week 3 - Values of 'salt and light'

Bible reading: Matthew 5:13 – 16; Mark 9:50; John 1:4-5; Ephesians 5:8-9; 1 Peter 2:12

*For we are to God the aroma of Christ among those who are being saved and those who are perishing [2Corinthians 2:15]*

Questions to answer....

- 1 What makes something specifically Christian?
- 2 If we are to be salt and light what values do we need to imbibe?
- 3 How would someone outside the church know that you were a Christian?
- 4 Which of our church values are not yet being valued and what can you do to change that?

*Action point: This week try out at least one new way of being salt or light in your community.*

Share your experiences of the action point from last week.

What have you learnt from those experiences?

What will you each do differently in the future because of those experiences?
