

October Diary 2005

Vicar's October Jottings

9, 5, 1, 3, 2, 8, 4, 6, 7 – you'd need to be a real anorak to spot that this number sequence is the order in which we are doing initial Sunday teaching on our Values! If you don't know what the numbers refer to then you've not picked up your Values booklet. This is written to help you take part in the challenge of making our lives and church life reflect what we say is important to us. Once you've got the booklet you'll also understand your ABCD better as well! Please make it your business to listen to or read the sermons, or be there in person if you can. There are cards listing the dates. I'd especially encourage you to participate in the weekend with Jonathan Couper.

Harvest Blessings
