

# April Diary 2006

## Vicar's April Jottings

On Good Friday we'll be reminded again that, as St Paul puts it, *Jesus humbled himself and became obedient to death, even death on a cross*. We will reflect afresh upon His awesome and loving willingness to comply with His Father's will so that His Father's purposes for us could be completely fulfilled. And on Easter Day we'll celebrate how God raised Jesus from the dead and *exalted him to the highest place... that at the name of Jesus every knee should bow*.

Over recent weeks we've been looking in our sermons at Peter's first letter, which he addresses to, *those who have been chosen for obedience to Jesus Christ*. It seems to me that obedience is one key to our effective discipleship. As I read the APCM reports I am struck by the excitement of those who have been obedient, sometimes in very simple ways, to what Jesus has been asking them to do. Our obedience is always joyfully met by His faithfulness.

Someone wrote after the weekend away last May, "The weekend has highlighted what God has been challenging me to try" – I hope they took up that challenge, for I am reminded of a phrase from a friend of ours used in the context of parenting; 'delayed obedience is disobedience'. As we consider Jesus' obedience to the Father, consider also your obedience to what he is asking you to try, and then do it without delay.
