

August Diary 2006

Vicar's August Jottings

One of our values is, 'Biblical Learning that equips all ages for everyday life'. We're aiming to back that up in a variety of ways from September onwards – e.g. encouraging more people to join a home-group, studying a passage in 2 or 3 different ways, reading through all of Revelation, getting people to talk about the Bible in their everyday lives... All these will be no more than gimmicks unless we take personal action. Psalm 119 speaks of God's word in so many ways – lamp, light, guide..., - and that it's worth hiding in our hearts to keep us from sin (v11). So, why not, over August, take a verse or passage with you to work or on holiday. Memorise it, pray it, and reflect upon it, and write down what God says to you through it. My prayer is that we will find ourselves both satisfied and yet hungry for more!

Have a great Summer!

Nick
