

# January Diary 2006

## Vicar's January Jottings

Another year already, and so much going on there's almost no space for the Vicar to write anything! Our busyness in this part of the world is one reason I'm looking at possible Lent group studies on 'Life Balance – rest work and play'.

I will complete the initial preaching on our Values this month. Have you checked them all out or listened to the sermons with a friend or two? This year I hope we'll continue to make our Values real in what we do; that's one reason I'm starting the 'Leading Worship that Connects' course in January.

As you will be finding out, our regular finances are facing a challenge for 2006 and plans for our buildings may be necessary and exciting but they come at a price. Somewhere in the mix for this year I think the 'S' word will feature – no, I don't mean S\*\* I mean S\*\*\*\*\*! Work that out if you can.

Whatever happens, "To God be glory in the church and in Christ Jesus!" [Eph.3:20 & 21]
