

# July Diary 2006

## Vicar's July Jottings

This is the month that leads up to Summer Holidays for those who are able to take them, and into a slower pace of life for those who can't. For those who are going away, please take with you greetings in The Lord Jesus from our church and pass them on to any church you attend. Likewise, should you receive reciprocal greetings from another church, encourage us all by passing them on either through the notice-sheet or on a Sunday morning from the front.

Wherever we go over the Summer, the different pattern of life often makes us aware in a fresh way of God in our lives. Those who go to specific Christian events like New Wine, Soul Survivor or CPAS Venture/Camp, will expect to encounter God in new and stimulating ways. Pleased don't keep these to yourself but let us build each other up by sharing them. Specifically in our evening service on September 3<sup>rd</sup> we're giving special space to testimonies from the Summer so do come then if you can to share and to listen.

Some may well come back with CDs and DVDs of certain talks you found really interesting and helpful. Once a month, on the third Sunday evening, we're now planning to welcome a 'Guest Speaker' via CD or DVD. So if you have one to recommend, please let me know and we'll schedule them in.

Over the Summer our morning teaching will be on some of the Judges, and in the evenings, apart from our visit to the Methodists, we'll be finishing our series on Hebrews and then looking at a selection of short talks by Rob Bell [Nooma DVDs]. These are likely to stimulate questions and so we're going to give space each week for discussion afterwards.

If all goes well (keep praying), the St Saviour's building work will begin this month so expect special arrangements. I'm also delighted to say that Bonnie Appleton will be officially licensed to our parish at St Saviour's on the 23<sup>rd</sup> by our Archdeacon, Julian Henderson. Bonnie already supports us in several ways but I welcome this official recognition and all the opportunities it can bring.

Please pray for and play your part in, the spiritual and physical development of our church to the glory of God.

Nick Grew
