This month, our associate minister Julie Levett, writes:

I'm writing this after a very fruitful PCC Away Day focusing on 'Building the Vision'. I was really looking forward to it and the next few years were going to be a really exciting time for our Parish! Why? - Because I believe God's Spirit is moving within individuals and our church as a whole. As He's working among us so we need to seek, see, hear and receive what He's calling us to do. I've previously shared my post-ordination journey (missed it? - then ask about it the next time you see me). Similarly, how God moved last Summer / Autumn to bring Sassi (Trainee Youth Worker), Annette (Church Administrator) and Jo (Children and Families worker) into the staff team, shows His amazing timing! Our 2008 vision is in the past; we're now seeking what God has planned for us next!

A dream was shared with the PCC which aligned with a picture received during the opening prayer. As a body we felt that Jesus was coming among us to anoint us with the different gifts we each needed to enable us to: - be the person God designed us to be; - contribute to the deliberations; - define and steer God's rolling vision for our Parish for the next 2-5 years.

We also felt this wasn't solely for the PCC but God wants to anoint our church so that we could each play our part in fulfilling his vision for us. 'Building the Vision' seemed to encompass 3 areas: Ourselves, our Community and the Buildings we own; the short, medium and long term visions for each are being identified by Working Groups. I ask that we spend time this month praying and seeking God's vision for us and passing what we've received to PCC members.
