NOTES – PLEASE READ!

- Those leading in the evenings where there is **Faith & Work** slot, it is up to you to invite someone to speak honestly at that service (or you may to interview them if they prefer). If you're not sure how that works – ask Nick while he's still here!
- Please come back quickly with any clashes to point out or comments to make
- There are a number of gaps and question marks – suggestions and offers etc are welcome!
